**YOUR  
CAR CARE  
EXPERTS**

## CAR CARE EXPERTS SINCE 2000

With over a decade of experience **Eco Luxury Detail** provides full service auto reconditioning and detailing. Our professionally trained & licensed team is committed to delivering the highest personal customer satisfaction.

*"Maintaining your vehicle's appearance from Day 1 and years to come."*

**Eco Luxury Detail** offers both residential-community locations and mobile detailing services throughout Orange County. Our detailing facilities use the latest technology & eco-friendly processes, the very best equipment, and Meguiar's professional line of auto detailing chemicals for every detail service we perform. **Eco Luxury Detail** will always give your vehicle the personalized treatment and protection it deserves as we would our own vehicles.

## Efficiency Driven & Environmentally Responsible

**Eco Luxury Detail** places the environment first and actively pursues Green Technology as the foundation of our detailing operations. Our smart detailing and chemical matching solutions allow us to reimagine the "car-wash" by minimizing water usage to **12-16 ounces** maintaining a clean & lustrous surface for your vehicle. Optimum No-Rinse biodegradable emulsifiers allow us to save millions of gallons of water and eliminate all run-off pollution into the environment.
