

No home is complete without outdoor lighting. This is your opportunity to simultaneously enhance the beauty, safety, security and value of your home with professionally engineered, warranty protected Nightscaping® brand landscape lighting.

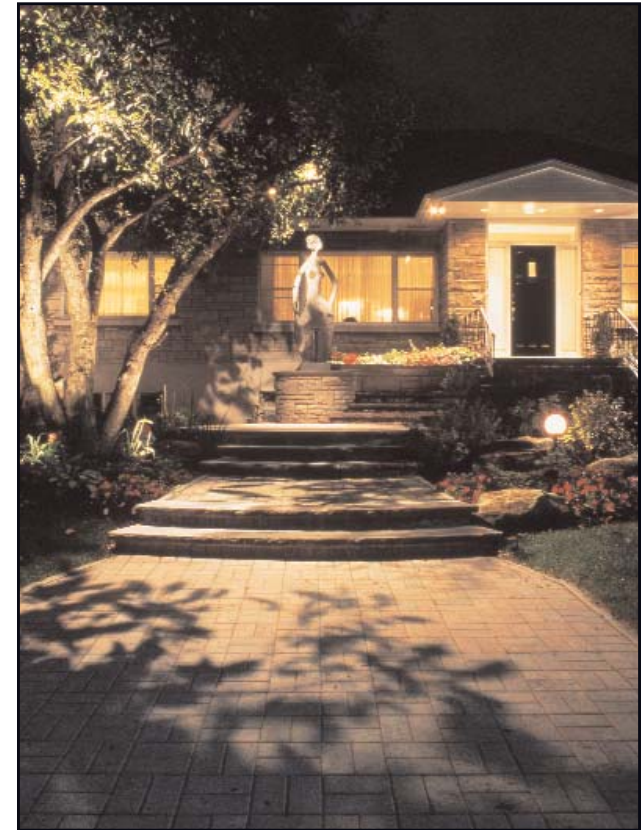

Nightscaping® outdoor lighting is a professional home improvement. As such, Nightscaping® brand equipment is available only through a network of professional lighting designers and installers possessing the creative and technical skills necessary for you to discover the hidden beauty present in your landscape and capitalize on the complete potential of your home.

The independent Nightscaping® contractor who provided this brochure will be glad to show you the quality of our professional line of fixtures and finishes, discuss our product warranties, and answer any questions you may have.

Your Nightscaping® Contractor is:

Nightscaping® *The Safe System*

Discover the hidden beauty of your home.

Regardless of the season or setting there is always hidden beauty waiting to be discovered in the landscape. The evening hours alone present you with countless opportunities to uncover the visually stunning secrets harbored by your very own home and property.

Nightscaping® brand outdoor lighting will allow you to...

- Increase the safety, security, and value of your property.
- Considerably boost the evening beauty and visual appeal of your landscape.
- Continue outdoor activities like dining or entertaining long after night falls.
- Realize the ultimate potential of your home and personal living space.

Pathlighting

Let Nightscaping® Pathlights lead the way. These inconspicuous fixtures are available in a host of materials and finishes designed to compliment the natural elements of your landscape.

Backlighting

Picture the silhouette of your favorite tree or outdoor art object framed against the setting sun. Nightscaping® Backlights create these kinds of displays by mimicking natural lighting effects.

Add Nightscaping® Underwater Lighting to any water feature and discover how its ripples and reflections will become dramatic points of visual interest dancing in waves under the starry sky.

Underwater Lighting

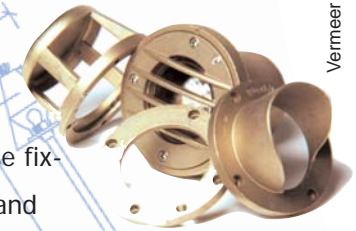

Increase the safety, security and beauty of your property with Nightscaping® downlights. These fixtures simulate natural light that will add both function and romance to any evening scene.

Downlighting

Uplighting

Highlight focal points in your landscape with Nightscaping® Uplights. Whether they are casting shadow patterns or grazing walls the dramatic effects these fixtures create demand attention.

Specialty Lighting

Personalize your evening landscape with Specialty Lighting from Nightscaping®. These distinct fixtures allow you to accent your property in a way that reflects your individual taste and style.
